UUA Suggested Fair-Share Contribution Guide

When deciding your financial commitment to UUCC, please consider your UU values. Together and individually, we are responsible for supporting our church and our movement. To use these guidelines:

1. Determine your monthly income or resource level.
2. Add any unusual or periodic income you expect.
3. Subtract any extraordinary expenses you expect.
4. From the Adjusted Monthly Income column, move to the right to find a giving level you are ready to support.
