

Service Opportunity: Facilities Team Member

Description: (1) The Facilities Team meets several times a year to discuss details of repair, maintenance, replacement and upgrades needed to keep the church's physical plant in good condition. (2) The team solicits bids and makes decisions about hiring contractors. (3) The team oversees cleaning contractors. (4) The team takes responsibility for maintenance and repair of the church building. (5) The team organizes volunteers to participate in maintenance and repair. (6) Team members make themselves available to do small repairs or be called in an emergency. (7) The team monitors consumable supplies.

Expected Term of Service Term: Two years.

This opportunity will enable you to: (1) Use current practical skills and learn new ones. (2) Service our church community by looking after our church building. (3) Work as part of a team.

Skills needed: (1) A willingness to learn. (2) A practical, problem-solving mindset. (3) Finding satisfaction in practical work and keeping things in good working condition.

Training: If you do not know how to do something, the team will always find someone to work with you who does know how.

Number of Positions Open: 5.
