

Service Opportunity: Connector

Description: The mission of the Member Connect Program is to assist UUCC members and friends in finding their place in our church community through deeper connection, service, and spiritual exploration.

To do this Connectors are having conversations with new members (and others who are interested) focused on building relationships and becoming integrated into the life of the church. These conversations will give participants a chance to reflect on their spiritual journey, their connection with the church, and their level of involvement in church life.

We believe that true spiritual growth, in ourselves and in our congregation, often arises through our connectedness with others and through an awareness of serving a higher purpose that is greater than our own individual needs.

Specifically, these conversations will give participants the opportunity to:

1. Talk about their relationship with the church and what it means to them
2. Discuss how they can get what they want and give what they wish
3. Talk about their own spiritual path
4. To discuss what factors enhance their involvement with our church
