

Service Opportunity: Social Action Team Member

Description: There are many ways to get involved. For one example, the Social Action Team (SAT) could use someone to monitor social justice work in the community and report on what other groups are doing. The team can always use help with Loaves and Fishes and Room at the Inn. We would welcome liaison with other social action groups.

Expected Term of Service Term: No limit.

This opportunity will enable you to: There would be wide latitude to define your own role based on your passions and skills and how they articulate with the mission of the SAT.

Skills needed: Willingness to work collaboratively with a diverse team; willingness to take responsibility for some small area of service to the team.

Training: Would depend on the person and the work they claim for themselves in collaboration with the rest of the team.

Number of Positions Open: Multiple.
