

January 26, 2020 – Building Task Force Feedback Session

What are the things you would most like to see if we were more fully living our mission of radical welcome and deep connection? This was the question asked, and the BTF listened. Asterisks indicate how frequently the feedback was given.

Deeper connection to social justice and the broader community *
Church programming to aid connections among members
Have support groups within the church community
A more democratic form of church governance
Safety and emergency planning
Provide training in non-violent civil disobedience
Expand mindfulness and meditation programming
UU lay minister training program
Community outreach
Provide transportation for non-driving members *
A facility that's carbon neutral & net zero
Better space to support migrant sanctuary
Separate fellowship hall – humming community center all week long.
Make the space beautiful and retain existing beauty of building and grounds
10% for art
Quiet/accessible meditation space
Keep sunshine and indoor access to outdoor views *
More parking *
