

Preparation for Chalice Circle Session on Community

These are some questions you may find helpful to guide your thinking on the topic. Feel free to ignore them, if your experience takes you in another direction.

1. What has been your experience of community and how did it affect you?
2. What are the qualities of a community that would help you flourish?
3. Are you seeking the experience of community, and if so, where are you looking?
4. Do you want more than one community? Are there advantages or disadvantages to belonging to multiple communities?
5. How many communities do you belong to? If more than one, why do you belong to more than one? What purpose does each serve?
